CHAPEL OFFERINGS

SMALL GIFTS FOR THE CHILDREN OF COLUMBIA!

We're supporting the Milwaukee Medial Mission through our offerings and also by collecting any small toys to be included in the care packages for the young surgical patients in Buccaramanga, Columbia. These items can be anything little and should be new or gently used. For example, beanie babies, hot wheels, crayons, coloring pages, bracelets, hair ribbons, etc. The children are thrilled with whatever they are given! Please remember these precious children in your prayers. Please also keep the doctors and nurses from Froedtert in your prayers as they use their God-given gifts to serve His children in Columbia! Thank you for your support!

FROM THE PRINCIPAL

Greetings to you all in the name of Jesus our Savior. It is hard to believe that we are nearing the end of the first quarter of the school year. Please make sure that you take advantage of the opportunity to speak with your child's teacher at parent/teacher conferences to discuss the progress your child is making. The teachers are available after school on Wednesday, November 4th and all day on Thursday, November 5th. This is a great time to meet, talk, share and get to know your child's teacher better. Congratulations to our 7/8 grade girls volleyball team. They are three for three - they won tournaments the last three weekends in a row. Congratulations to Sophie Moravec. Sophie won the state cross country meet on Saturday for her age division. Because she won, she will compete this Saturday in the national cross country meet at CUW. Thank you for coming to the Spaghetti Dinner Saturday night. It was great to see so many of you in attendance. We raised about \$700 to help pay for the teachers conference in November. Thank you for your support.

RENEWED IN CHRIST

As part of the Immeasurably More church and school campaign, our students will be asked to pray for those in our church with prayer requests. The congregation will be given the chance to write these prayer requests on prayer cards that will be distributed to the kindergarten through 8th grade classes and their teachers next week. Younger children will pray in their classroom prayers while the older students will pray individually for particular requests. These special prayer times will continue through the first week of November. At that time, prayer cards will be signed by classes or individual students (first names only) and returned to the campaign's prayer committee. The committee will assemble a visual using these signed cards and place it in the narthex so that our prayer requesters can see that our children have prayed for them. The power of prayer is amazing. It is our prayer that our students will feel God work through them as they pray for the people of our congregation. May our congregation also know that our students continually pray for them and ask God's blessings on the community of St. Paul's.
